

## HIGHLIGHTS OF CURRENT EVENTS

By Bill Dennis

Two weeks ago, this column was devoted to a criticism of the Mundt-Nixon Bill, which was written ostensibly to restrict the Communist Party of America.

Since that column appeared, this bill was passed by the House of Representatives by the overwhelming majority of 315 to 58. To those 58 representatives who now can conceivably be prosecuted under the provisions of this same bill, this column is respectfully dedicated.

At the risk of jeopardizing my status as a loyal American, I would like to pose this question: "Has any conclusive evidence ever been presented in a court of law or by the Federal Bureau of Investigation or by the State Department or the United States Secret Service proving conclusively that the Communist Party of America is a fifth column of the Soviet Union?"

### IN THE DARK

If there has been such evidence presented, I am totally unaware of it and I herewith retract any statement made in this column against any legislation which is designed to outlaw a fifth column working in this country.

On the other hand, if no such proof exists except in the editorial pages of our one-party press, then I herewith reiterate my condemnation of the Mundt-Nixon Bill, or any legislation designed to outlaw any minority political party.

It is the opinion of this writer that accusations of fifth column activities against the Communist Party or any other group or organization should be upheld under one or all of the 27 pieces of legislation already in existence and designed for that very purpose. Until that is done, this column will not be panicked into condemnation of ANY minority political party.

While we are on the subject of minority parties, it might prove interesting to look at the figures and see just how much of a minority the Communist Party of America really is.

In the election year 1928 the "Workers' Party," with William Z. Foster as its candidate, received a total of 48,770 popular votes out of a total vote of 36,879,414. In the depression year 1932, with the Communist Party appearing for the first time on the ballot, as such, and with Foster again as their candidate, they received a total of 102,991 votes out of a total of 39,861,522 votes cast.

### OUT OF RUNNING

They did not appear on the ballot again until 1940, when their candidate, Earl Browder, received a total of 49,815,312 votes. The year 1944 saw them once again declining to present a candidate.

This, then, is the voting strength of a party which must have a special bill passed by our Congressmen to keep it out of their political hair. The very fact that a bill is suggested which is designed to restrict a political minority makes such a bill open to suspicion as to its real motives.

Just how much suspicion there is of the purposes of this measure can be summarized in the following excerpt from an editorial in the Daily Californian, May 14, 1948: "We believe that the measure, if its implications are known to the people, will be defeated. 'It is true that today anyone who dares to call attention to the attacks upon our basic institutions and the Bill of Rights may be subject to charges of hysteria in the place of honest debate on the issue. This is the price we must pay to keep and extend our academic freedoms, to stop the book burnings being kindled by the enemies of the free human spirit in Congress today.'"

## Homan Announces Fall Program

In his first published policy statement, Earl Homan, newly elected president of the Associated Students, this week stated that one of the first concerns of his administration will be the incoming freshman class. Because of the new general education program, "the student body must augment the new plan with a comprehensive policy of aid and information about State and its various activities," he said. Realizing that the only source of revenue for the corporation is the sale of student body cards, Homan plans an intensive campaign to increase the benefits offered to card holders. "We also intend to publish official plans for athletics, the Division of Creative Arts, the National Student Association and other organizations," he added.

AL GABRIEL

PHIL RYAN

In conclusion, Homan stressed that "full co-operation, as in any other large corporation, is necessary to the success of any venture. We, therefore, request your opinions, expressions and close co-operation."

Other officers for the coming year include Barbara Tehaney, vice-president; Al Gabriel, secretary; Hank Marscheck, treasurer; Phil Ryan, activities commissioner; and George Allen, Don Meagher, Toni Robinson, Arthur Mayhew, Bob Seymour and Virginia Cox, members-at-large.

## Faculty Members Plan World-Wide Summer Vacations

Faculty members' summer vacation plans include trips to Europe, Hawaii, Canada and sections of the United States. Dr. and Mrs. J. Paul Leonard will take a combined business and pleasure trip to Canada. Dr. Leonard will interview prospects for jobs at State.

The Leonards also will visit such famous places as Lake Louise, Glacier Park and points in British Columbia.

Alfred G. Fisk, professor of philosophy, is organizing a summer seminar-tour to study conditions in Western Europe. The group of 24 will be composed of teachers, writers, lecturers and clergymen whose purpose is to gather information concerning conditions in Europe for American consumption.

Anna V. Dorris, associate professor of geography, will spend her vacation in the Hawaiian Islands.

Lee Chrisman, instructor in music; Roy E. Freeburg, professor of music and humanities; and William E. Knuth, professor of music, will instruct in Wisconsin, Michigan and Oregon, respectively.

### Vets Need Certificates

Veterans must obtain "supplemental certificates of eligibility" from Veterans Administration if they plan to enroll in a new school this Summer or next Fall.

### LAKE MERCED

## Block 'S' Pitches Last Rally Tonight

Entertainment, refreshments and athletic awards will highlight the Bonfire Rally tonight at the Lake Merced Campus. The rally, sponsored by the Block "S", will begin at 8 p.m. on upper field.

Refreshments will be distributed at the end of the evening by the Newman Club. Awards for those members of the Spring sports teams will be given by Ken Shelley.

Those intending to go to the rally by the Municipal Railway should take the M Bus from the station and Twin Peaks tunnel.

### ASB Contest Winners To Be Revealed Soon

Final decisions on the winners of the \$50 Board of Directors contest for new college material will be made at the end of the semester, it was announced today by Phil Ryan, member-at-large, who was in charge of the contest. The college song division has the only certain winner in Sid Posner.

The contest proved a disappointment, according to Ryan, for lack of entries submitted.

### College Theatre Outlines Plans For Next Semester

An extensive array of plays is being considered for next season by College Theatre, according to J. Fenton McKenna, executive director of drama.

Productions in the offing are "Winterset," "Of Mice and Men," "Both Your Houses," "Lady in the Dark," "R.U.R.," and "Romeo and Juliet."

### Mundt-Nixon Bill Polled

The Free World Club conducted a poll on the campus to test student opinion concerning the Mundt-Nixon Bill.

In eight classes, 272 students were polled. While 65 per cent of the students were acquainted with the plan of the bill, 30 per cent did not know about its provisions.

## Ceremony Scheduled For Civic Auditorium

"An American Approach to the World in 1948" will be the topic of an address by C. Easton Rothwell, associate director of the Hoover Library, Stanford University, at commencement exercises June 15 at Civic Auditorium, Larkin and Grove Streets. Ceremonies will begin at 8 p.m. Three hundred thirty-five students are receiving degrees or credentials. (See Page 4 for list of graduates.)

## Directors Vote Pay Increase to Wilde, Okeh Paper Policy

After much discussion and several votes, the Board of Directors last Tuesday agreed, 11-1, on a proposal to raise the base pay of Miss Sally Wilde, book store manager, to \$3800 a year. Her present salary is \$3600. Overtime pay for veterans' accounts was set at \$400, to be decreased as accounts fall off.

Salary increases were voted for Charles A. Roumasset, administrator of student affairs, and Mrs. Erna Lehan, director of food service, in April.

### INCREASE RECOMMENDED

Roumasset recommended the increase for Miss Wilde in view of the \$57,000 inventory of the book store with a capital reserve of \$25,000. George Allen, member-at-large, questioned the \$8000 profit shown last year, since the organization is supposedly non-profit.

A two-man committee, Roumasset and Allen, to analyze jobs held by paid employees of Associated Students, was appointed by President-elect Earl Homan.

### BOARD ACCEPTS POLICY

At the previous meeting the board accepted a publications editorial policy. John Shepherd, outgoing treasurer, announced that budgets were being accepted from campus organizations and student body enterprises on a yearly instead of a fiscal basis.

The resignation of Arnold Turner was announced by President Homan. According to constitutional stipulation the board may nominate a replacement who will be elected by the board or appointed by the president. Suggestions were considered by the board for an expanded orientation program and methods of increasing return on student body cards.

## Stevick Replaces Mrs. McFarland

Miss Dorothy Stevick, graduate of University of California School of Economics, will replace Mrs. Gertrude McFarland as secretary in President J. Paul Leonard's office at the beginning of Summer session.

In addition to having held numerous professional positions in a supervising capacity, Miss Stevick also was California director of the National Youth Association student work program.

Mrs. McFarland will assume the position of secretary for the Division of Health, Physical Education and Recreation under David Cox.

### Faculty in 'Who's Who'

Four members of State's faculty appear in the new "Who's Who of America." They are President J. Paul Leonard; P. F. Valentine, dean of general education; George Outland, professor of sociology; and Herbert E. Bolton, professor of history.

## Leonard Lists New Faculty

Alice Spelman, associate professor of home economics, and Anna V. Dorris, associate professor of geography and director of visual education, are retiring at the completion of the present semester, announced President J. Paul Leonard yesterday.

Kenneth E. Young, instructor in journalism and speech, and Guido de Ghetaldi Jr., instructor in physical education, have submitted their resignations. Both plan to attend Stanford University next Fall for graduate study.

Justin Van Gundy, assistant professor of English, also has submitted her resignation.

Appointments of new faculty

members, to become effective in the Fall semester also were announced by Dr. Leonard.

Jack Patton, Karl Peterson, Lauren Brink and Wayne Britton have been appointed to the Division of Language Arts faculty. Herbert Bisno, Lyle Gibson and Joseph De Brum will join the faculty of the Division of Social Sciences.

Donald Phelps, Helen Poulsen, Helen Jacobson and Harvey Williams have been appointed to the Division of Health, Physical Education and Recreation.

Margaret Keckler, Barbara McKie, Fred Wilhelm and Helen Gunter will join the faculty of the Division of Education. James Enoch,

Mahela Hays and Robert Kann have accepted appointments to the Division of Education-Psychology department.

David Barnard, Jordan Churchill and Mrs. Jacqueline Ogg have been appointed to the Division of Creative Arts faculty.

"In addition to the appointments already made, eight additional faculty members will be selected before the beginning of the Fall semester," Dr. Leonard added.

A supper at the home of President and Mrs. Leonard will honor the retiring faculty members next Sunday evening. Deans and chairman of the academic divisions also will attend.

## Final Issue

Today's issue of the Golden Gater marks the final for the Spring term of 1948. Next edition of the paper will appear during the first week of Fall '48 term, at registration.

### OTHERS TO ATTEND

Graduating seniors of this June and last January, as well as those graduating during summer, are eligible to attend this and all functions of senior week.

Today is the last day to purchase tickets for the senior luncheon Monday, June 14, at 12:30, in the Red Room of the Fairmont Hotel, according to Gil Adams, ticket chairman.

Guests of honor at the affair include President and Mrs. J. Paul Leonard, all the deans and W. J. J. Smith, who will represent the Alumni Association.

Entertainment will be provided by vocalist George Crowder and clarinetist Freelon Bibbins. Price of the luncheon is \$3 per person. Tickets may be purchased in College Hall. No tickets will be sold at the door.

### MANY FUNCTIONS SET

Also on the social agenda for senior week is the traditional tea, to be held at the home of President and Mrs. Leonard, 175 San Leandro Way, Sunday, June 13, at 3:30 p.m. Graduating seniors and their parents are invited to attend.

Preceding the luncheon will be the senior pilgrimage from 9 to 11. Addresses by a faculty member and a student will culminate the pilgrimage. Speakers include: Evelyn Ballard and Frank Shaw, natural science; Constance M. McCullough and Rosemary Trawatha, education; Flavis Richards and Stuart Bennett, creative arts; and Blanche Drury and Carolyn Roswall, PE health and recreation.

Additional speakers will be President Leonard, Vin O'Leary and George Moscone, from the Alumni Association.

Senior Ball, "Rainbow Rhapsody," May 21, inaugurated the list of events for the class of '48.

## Annuals on Stands Today; 800 Issued

Copies of the 1948 Franciscan are being issued today in the Student Body Office. The books arrived yesterday.

According to Don Westover, business manager, the issue was distributed late because of printing difficulties.

"Only 800 copies of the Franciscan have been ordered," Westover said. "This means we have but 48 extra copies. We expect those to be sold today."

Charles A. Roumasset, administrator of student affairs, said, "The present issue is the first Franciscan to pay for itself in 11 years of publication."

### O'Leary Thanks Cabinet, Wishes Homan Success

Closing a busy year as president of the Associated Students, Vin O'Leary this week stated, "It has been an honor and a privilege to take part in the steady progression of State from the role of a small to a large college."

He wished his successor, Earl Homan, the best of luck in his future task and extended his appreciation to all who have worked with him in the past year.

### 'Miss Franciscan' Second

Pat Wilkerson, "Miss Franciscan" in the recent yearbook contest, was runner-up for the title of "Miss Oakland" in the city-wide beauty contest. She entered the contest as "Miss Fruitvale," competing against a group of 19.

### GRADUATES: Strive For Peace!

We wonder what will be the essence of the speeches at Commencement Ceremonies in Civic Auditorium June 15. Most of the male seniors will be witnessing their first graduation since an officer read off a mimeographed farewell speech in an army separation camp chapel.

It must pose a problem for the class valedictorian. He can't lift (in the grand graduation "hail and farewell" tradition) the sights of his fellow sheepskinners to a "bright and hopeful horizon" fraught with opportunities.

November elections, cold wars, Mundt-Nixon Bills and Un-American Committees lower students' gaze to a more clouded object... a troubled world.

Perhaps the speaker should use State's long and arduous wait for a new campus to prove a point. If students, faculty and alumni had clamored loud and long, and to the right people, for a better plant, State might have that campus now. But over the years there has been a constant moaning and griping about the hazard and inconvenience. Everyone who had seen the college grounds was impressed by the need for something better. The jesting and "waiting for the new campus" was the complacent attitude adopted by all.

A conscientious effort was needed to root out those in power and to demand that our needs be satisfied.

There is an uncomfortable parallel between the "waiting for the new campus" and "the third World War" gags.

We hope that the speaker will have discarded the time-worn graduation phrases. We hope that the lesson of the new campus can serve to motivate the graduate to pitch in, but emphatically for peace.

## College Hall Picked For... Digging a Tunnel

By MARVIN GRASSE

There are three things in life I want: A pick, shovel and a telephone pole. That's all I want, but I want them now. Right now. When I get them, I'm going out on Buchanan Street in front of College Hall and start digging a tunnel.

This tunnel is going to come up in the basement of College Hall by the Co-op. Then I'm going to knock out circular portions of the ceilings on the first and second floors. After this, I'm going to arrange the telephone pole in the manner of a firehouse pole.

Once that is accomplished life will be serene again. Then the guys and gals can linger on stairways and hold discussions in doorways until the new campus

is finished (which is longer than waiting 'til the cows come home).

Whenever I see a clump of chumps clogging the paths, I'll just dip into the tunnel and slip up the pole to the floor I want. What a glorious day! No more soft-spoken, "Pardon me's," "May I get by's," "Oh, sorry's."

When I first beheld the phenomenon of chattering characters cluttering doorways, alleyways, stairways, I told myself there must be a reason. I thought they were all standing on dimes waiting for the others to leave so they could pick 'em up.

With this thought in mind, I mingled with the "bottle-necks" and commenced stepping on toes. All I saw were dirty looks, but no dimes.

### GIRL SINGER GETS BREAK

By LUISA HEPPER

Ex-Stater Florence Quartararo got a break for her San Francisco concert last week. For a change, she was heard in the Opera House, instead of in the cavernous Civic Auditorium. Although Flo's warm voice is a listening pleasure anywhere, the acoustical menaces in the "barn" are far from desirable.

Seen around campus recently was Roger Nichols, who has returned from an extended tour of the country with the orchestras of both Raymond Scott and Ernie Hecksher. Now he seriously is considering fiddling around with a cello.

Another bassist viewed in the Alley of late has been Winston Silva, former Stater. Win, just discharged from the Army, expects to return to the campus for Summer Session.

Summer jobs are popping up all over the place. In a few days the Alley will be minus a few constituents when a number of the boys move up to Yosemite and other California resorts for jobs.

# Gator Eleven Faces Tough Schedule

Facing the best solid schedule in their history, State's footballers will open the 1948 season on October 1 with a mixture of experienced and very green material. Head Coach Dick Boyle will be

serves are also dropping out of the pigskin picture.

### NEW FORMATION

Coach Boyle will employ a new variation of the T-formation, using an unbalanced line in an effort to make the most of his material. The new razzle-dazzle brand of ball should prove more fun to watch and to play, and it is hoped will bring a few more victories home to Haight Street.

At the center post Boyle is moving in big Tony Morrow, formerly a fullback, in order to strengthen the line. "Cub" Rubio, who saw a lot of action toward the end of last season, is the only returning snapper-back.

The guards seem to be the best manned positions on the eleven, with veterans Jack Root and Joe Brakovich. Brakovich, who took a shot at end last year and got an injured knee for his trouble, was a sensational guard while playing Navy ball. Root was named to the all-loop second eleven last year. "Young Jack" Miller, the elder of the two Miller boys, and Roger Turner also return at guards.

### REPPAS, MILLER RETURN

Boyle expects a lot from George Reppas, "The Flying Greek," and tremendous Bill Miller, last season's first line tackles. Backing them up will be returnees Leon Del Grande, Cliff Gray and Jack Aron. Also showing his stuff at tackle will be ex-Marine Paul Hungerford.

At ends will be Tony Matulich and Ray Bell. . . And that's all! These two, who came along very fast at the end of last season, will be supported by some men from a

flock of jayvees, including Don Chabot, a star for Coach Bill Harkness in '47.

Halfback Morry Davis will get a shot at quarterbacking this year. Morry is an experienced football

and Earle Lowart, the latter a jayvee sensation.

### GREENBERG IN FINALE

At left half we find Barney Greenberg and ex-quarterback Earl Boles, Greenberg, passing and running ace, will be playing his third and last year for State and may provide the spark lost with the departure of McBee.

Speedy right half Morry Flynn should hold down top spot on that side of the back grass. Up from jayvees will be light but rapid Bob Kroekel and Bob Keropian.

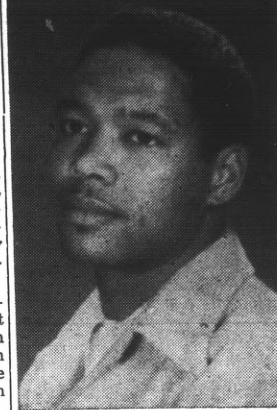

One-time St. Mary's end, and more recently a Gator wingman, Amos Adkins will be moved to fullback to give the Golden Tide another speedy ball carrier. Hefty Pete Desalernos, automatic extra-point kicker, also will return.

A host of jayvees and a smattering of incoming frosh will greet Coach Boyle and new line coach Don Phelps, Washington U. star in the middle thirties, when practice opens on August 30 and 31, when uniforms will be issued.

State's solid schedule includes home night games with Whittier, Humboldt, Chico and Cal Poly. Lights will be installed at Lake Merced stadium by the opening game. Games away from home include Southern Oregon (ugh!), Cal Aggies and a very rough meeting with Occidental College.

TONY MATULICH  
End Ace Returns.

MAJOR MCBEE  
All-Loop Back Leaves.

State's opener will be against Whittier on the home stomping grounds. Last season Whittier dumped the Gators by a 13-0 count.

## DIAMOND WIND-UP

### Hardenites Enjoy Winning Season

By GORDON RADDUE

Failure to win the games that counted caused State's defending champion baseball team to yield its Far Western Conference title to Chico State, despite a fine season record of 17 wins in 25 outings.

Six of the beatings came at the hands of conference foes; four by the heartbreaking margin of one run, which meant the difference between retention and surrender of FWC laurels.

Coach Hal Harden's charges found a degree of solace in the fact that they were able to divide their four game series with the champion Chico nine, amassing an aggregate total of 20 runs to 16 for the Wildcats.

The Tide closed the season, May 22, by splitting a well-played double-header with Chico, winning the nightcap, 5-4, after dropping the opener by a 3-2 count.

### EDSTROM LOSES

Irv Edstrom, who went the route for State in the opener, was the victim of a three-run fifth inning assault that gave him his third defeat against seven victories. Chico's Bush Dalrymple elbowed his way to his second win of the season over the Gators and aided his own cause with a triple in the fifth.

State drew first blood in the encounter when Ray Enjaian, a big man all day for the Gators, walked and scored on Mike Keropian's infield out, after moving to third base on two passed balls.

### GAFFNEY STARS

Enjaian accounted for the other run when he tallied Tony Matulich with a single in the fifth frame. Both teams played errorless ball throughout the contest.

The second game went to State on the strength of Tom Gaffney's prodigious slugging and the timely hitting of Pete Cuddyre and the handy Enjaian. Gaffney enjoyed a perfect day at bat in three trips to the plate with a home run, triple and single.

Enjaian singled home Jim Johnston with the first run and scored behind pitcher Ronny Kamb on Pete Cuddyre's single in a three-run first inning.

### HOMER WINS GAME

Enjaian batted in his third run of the afternoon in the fourth inning, tripling home Gaffney. The latter punctuated a glorious day at bat in the sixth inning with a tremendous four-base wallop to provide the winning margin. Starting pitcher Kamb was credited with the victory, his second of the year, although he had to be rescued in the seventh inning by Earl Clayton.

Most of the players will return to the fold next season in an attempt to recover the lost crown.

## Highlights of Spring Sports

By ED LEVITT

State's Spring sports caravan, pushed all season by hustling athletes, squeaks to a halt this week.

Spinning, already, are yarns about past performances. The boys are talking about the time. . .

When the Gator basketballers played San Jose's courtmen, 61-56, at Kezar Pavilion. This was the biggest upset of the season and was attended by a mere 150 persons. Irony of it was that most of the crowd carried long faces—back to San Jose. . .

### MUSCLEMEN WIN

When State wrestlers visited Stanford and manhandled their host. The evening ended with the local matmen making pretzels out of the Indians (Gators won, 20-18).

When basketball ace, Dick Jaensch, went on a one-man scoring spree and practically single-handedly defeated Cal Aggies. Jaensch tallied 29 points, overshadowing, by one digit, the record established by Tom Collingwood in 1945. . .

When Sal Solina and Al Williams, two perpetual motion expensives, blazed away with flailing fists to win 125- and 145-pound class boxing championships, respectively. . . Action occurring in the Far Western Conference fistic finals at Davis. . .

### MADE CLEAN SWEEP

When Tide's casaba practitioners made a clean sweep of the two-game series with Chico, and thereby notched second place in Far Western Conference competition. . .

When the Gator baseball squad had its hitting tons on and lambasted the USF Dons, 13-5. Eight runs in the sixth inning of the tilt turned the game into a State landslide. . .

When Bill Brennan, State miler, negotiated the second fastest time in the history of the event (8:31) to win easily the cross-town run. . .

When State cindermen outspeeded the Santa Clara Broncos, 72-59, on the Kezar oval. A new star was discovered in the person of Bob Keropian. He outdistanced all competitors in the broad jump, stretching his legs for a 22'4" mark. . .

### Maulers, East Bay AC in Fight for Softball Title

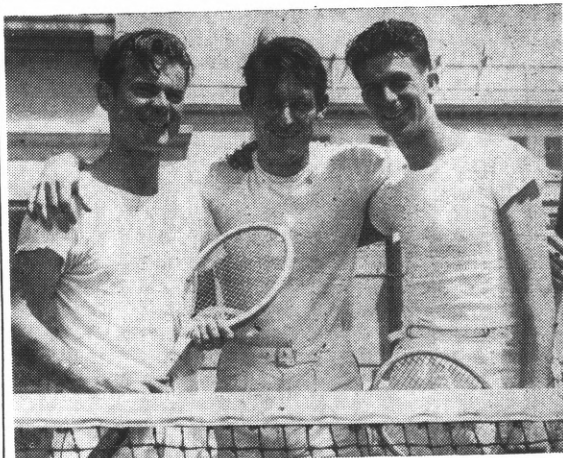

Still battling for first place in the intramural softball tourney are Mather Maulers and East Bay Athletic Club. Frank Isola captured the barnyard golf championship, while C. M. Wiser was a close runner-up. Holder of top place in the tennis tournament is Bill Lannigan. John Holden took second place. Vying for third and fourth place are George Kapkin and Bill Lillieborg.

### WAA RECAP

### Gator Gals in Full Interschool Slate

By FLORA AU-YONG

Marked by its entry in interschool competition, State's Women's Athletic Association members crammed basketball, softball, volleyball, tennis and swimming on the Spring schedule.

Intramural events in basketball, softball and tennis were held during the noon hour in the gym and on the upper field. The same squads performed in interschool competition.

In basketball matches, Brett's Brats, Owen's Bees and French Fries, coached by Dorothy Brett, Lucille Owensby and Jeanne Contel, respectively, engaged Cal and Stanford cage teams.

### BRATS BAG BEARS

Brett's Brats, led by Pat Gillespie and Evelyn Pellaton, brought home to Gatorville a skinned Bear rug when they slugged a Cal Frosh-Soph team April 2, 28-21, for the night's lone win in three starts. In early season, Stanford edged the squads in three games held at the local court in State's debut.

The softball team, managed by Audrey Reid, beat Stanford, 9-7, May 14 at the Farm diamond. A homer by pitcher Mariel "Scoop" Tullis and Alice Brehl's base running decided the tilt in favor of the Gator squad.

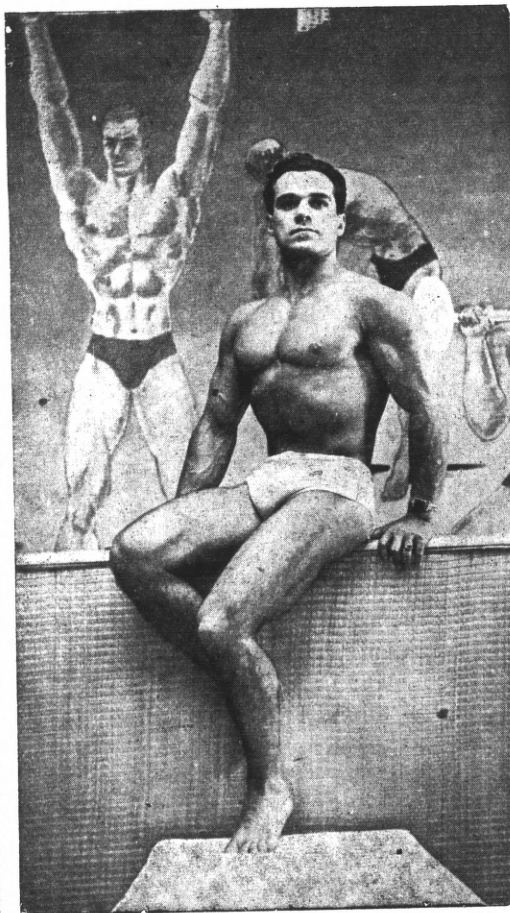

The upper field was the scene of much softball activity with Hansen's All Stars, Scooper, Alpha Omega and Sophies entered in the intramural matches.

### NETSTERS WIN, 6-1

Women netsters brought much glory to State when they defeated San Francisco City College, six events to one, May 12 at the local courts. Led by top seeded Jeanne Contel, Bessie Provost, Marion Atwood, Betty Petrakis, and Mariann Bruneman, WAA team managed to tie Mills College, each coping three events.

Mermaids Jo Foley, Peggy Rombach, Joyce Brown, Maydelle Pettigill, Peg Vasquez and Bugsie Auyong attained swimming laurels when they outsploshed Mills College, three events to one, on April 21 at the Oaklanders' pool.

With Sis Nelson managing volleyball activity, WAA members took on Mills and Stanford, losing both matches. Volleyball participants included Marge Haines, Jeanne "Frenchy" Contel, Jean Mahrt, Barbara Lutz, Thelma Van Sickle and Jilma Marshall.

# "...NOT BY MIGHT, NOR BY POWER, BUT BY MY SPIRIT..."

The world is aghast at the dread prospect of the United States and Russia competing for military supremacy.

This need not be; this must not be. War, or militarism to forestall war, means ultimate ruin for all. The American Friends Service Committee believes peaceful relations are possible between the United States and Russia. We do not minimize the issues that now exist between the two countries, but neither do we believe that war would settle these issues. It would only intensify them. We call for a faith that other means can be found which could lift us to a new level of life in which war is outmoded.

The world is ready to be quickened by a new spirit. It begs to be assured by reconciling deeds rather than words that under God there is one humanity. The hearts of men can still be kindled by a new vision of man's common and unfinished task—the building, under law, of a true parliament of nations.

The peoples of the world want peace. Freedom from fear and from violence, freedom from threat and from counterthreat, freedom to test the validity of ideas in daily life rather than on the battlefield, are what all nations want. Quaker workers in Europe and Asia tell us with one voice that people everywhere want to draw on America's faith in the future—not on our arsenal of weapons. This yearning of all people for a new approach to international affairs is the solid rock upon which the peace of the world can yet be built. If America has tried and failed to gain peace, now is the time to try again. Let us be infused with new faith. From the ashes of our frustration and despair, let us rise with new determination to solve our differences with Russia in peaceful ways and in terms that will build a truly united world.

Here are three steps which we believe are a beginning in this new direction:

I. BEGIN PEACE TALKS NOW. Let a group of leading American citizens meet this spring to formulate proposals for a general settlement of outstanding issues between the United States and the Soviet Union. Let these proposals be widely debated and then laid before the American and Russian heads of government, urging that they meet again in new faith and with a fresh spirit.

II. STRENGTHEN THE UNITED NATIONS. Let the United States demonstrate now, in action, its loyalty to the United Nations and its determination to strengthen it as an instrument of world law and order. We believe Russia would respond to such a move. Let the United States join at once the World Health Organization and put adequate financial resources behind the International Refugee Organization. With a new burst of faith let us begin to put substantial funds into the instruments of peace instead of into vast military expenditures in preparation for war.

III. PROMOTE PERSONAL CONTACTS. Let American private organizations with experience in international affairs unite in undertaking a large-scale program to promote intercultural understanding between the United States and Russia. Let us make a new effort to arrange the exchange of students, writers, religious leaders, and industrial workers. Americans and Russians need to see themselves as they are seen by each other.

The American Friends Service Committee believes that there is widespread support and the Divine Assistance to sustain those who will embark on such a course.

"...Not by might, nor by power, but by my spirit..." can men escape the dreadful consequences of unceasing strife.
